Dear Customer

Do you want to turn your Ice Cream Freezer into a Smart Freezer, Free of Charge?

INTRODUCING - GOLDEN EYE

In 2023 Unilever / Walls Ice Cream are giving several Consort customers the chance to change their freezer to be a smart freezer that transmits information to Consort about the status of your freezer.

How

1. A Unilever representative will visit your store and insert a camera that will take a daily photo of the inside of your freezer.
2. The Smart technology will then record an order (If one is needed) and send that proposed order to Consort.
3. Consort will then give you a call and ask you if you'd like to receive the order.
4. No order will be sent without the permission of the Store Manager or Owner (This is your direction).

Results

- ▶ **MORE SALES** - Having your freezer filled with the best sellers at the right time will make you more sales in this impulse purchase environment.
- ▶ **MORE PROFIT** - Selling more means more profit of 'impulse, additional products from your store.
- ▶ **NO COST** - All the costs are covered by Unilever or Consort.
- ▶ **NO COMMITMENT** - This is controlled by you, the retailer. If at anytime, you wish to not take part we can turn off and return the camera.
- ▶ **NO RISK** - If this is successful you'll make more sales and profit, if it is not successful you've not lost anything.
